Here is the corrected copy. The backup for republic trans has been removed as requested. However, I will leave in the pending charges for those republics since the work has been completed. It appears two of all the invoices have questionable hours. We will adjust the costs as necessary when Beth is complete and we finalize those.

Dan please sign this 1900 and forward to Gary as soon as possible so we can get these 1900's caught up to date. Thanks much.

Steve:

Did you get the 7/17/15 1900-55 completed? Dan sent me the signature page completed but I need the final document.

This 1900-55 will have all of the Republic charges removed that are associated with transportation until they get their stuff worked out. Is that correct? Beth just indicated that it will be next week before they can get their billing straight.

Thanks
